Letter dated 17 April 2000 from the Permanent Representative of Iraq to the United Nations addressed to the Secretary-General

On instructions from my Government, I should like to inform you that 2,670 mines, bombs, missiles and other unexploded munitions left behind by the 30-Power aggression against Iraq were found and disposed of in various parts of Iraq between 1 February and 31 March 2000. The items included missiles, cluster bombs, munitions and anti-tank and anti-personnel mines. They were found in the following governorates: Baghdad, Ninawa, Basra, Wasit, Anbar, Dhi Qar, Muthanna, Maysan and Qadisiyah.

I should be grateful if you would have this letter distributed as a document of the Security Council.
